

NATHANIEL CARLO GONZALES

0965 556 6363 | 640 74 91 | ncalgonzales@gmail.com | 64c, FC Cruz Street, Barangay Tabacalera, Pateros, Metro Manila

PROFILE SUMMARY

As an accounting graduate with passion for financial analysis, I have utilized my programming skills in Python to enhance my effectiveness in previous employment to facilitate my job/tasks. I am adept at utilizing data analysis to inform decision-making and have a keen interest in exploring predictive modeling. By combining my accounting background with data analytics, I aspire to become a data scientist, assisting organizations in making informed, data-driven decisions.

WORK EXPERIENCE

- **IT Auditor: Deloitte (Navarro Amper & Co.) (April 2022 – Present)**

Experienced IT Auditor with a strong background in assessing and evaluating IT systems, controls, and processes to ensure compliance with industry standards and regulatory requirements.
